

WHY ARE TOP JEWELLERS WHO PUT THEIR CUSTOMERS FIRST SWITCHING TO PURSUIT COMPUTER SOFTWARE?

FROM SUPERIOR CUSTOMER SERVICE TO ALL-ROUND BUSINESS EFFICIENCY, PURSUIT HAS ALL THE RIGHT ANSWERS

An efficiently run business and superior customer service go hand in hand. That's why leading jewellers in the Republic of Ireland like Fields, Weirs, Hynes of Wexford, Paul Sheeran, Gerard Fitzpatrick, Bernard English, Matthew Stephens and Brian de Staic Jewellers have changed to Pursuit computer software.

From point of sale technology that creates an enhanced customer experience to stock control and every business function between, Pursuit seamlessly links everything together. Capacity for expansion and adding new features is unlimited. Upgrades are free. And it comes with exceptional service, support and training.

Rival systems? Pursuit is in a class by itself.
